We have a couple of packages to complete your evening, please see below:

Accommodation

Normally when we do exclusive use events your guests pay for their own rooms but we have 23 hotel bedrooms that need to be taken, so we put a minimum of 23 guests for exclusive use. You can get at least two people in each of our bedrooms (some also have sofa beds) so we think the ideal size for your group is:

23 bedrooms x 2 people= 45 guests

There are lots of local accommodation providers and we can organise taxis so you can go up to 80 guests and still accommodate everyone locally.

We offer a set price of £125 per room (single or Double) that includes English Breakfast.
